Meet Your Teacher!!

Hello Parents and Students!

I am thrilled to be teaching my ninth year of third grade here at Dirksen Primary School! I have a Bachelor's degree in Elementary Education and a Master's

degree in Reading, both from Illinois State University (Go Redbirds!). I am always on the lookout for more opportunities to learn. I grew up in Morton, IL and I have always had a passion for working with children ever since I can remember. I love to learn through traveling to interesting places and bringing back pictures and resources to show my class. Some of my favorite places I have visited are Washington, DC, Spain, France, and Ireland. I also love learning about places around here such as good ol' Route 66, Springfield, and Chicago! I can't wait to hear about your passions and interests and travel with you this year! I am looking forward to meeting each of you!

~Mrs. Price

Important Dates to

Remember:

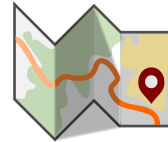

- Virtual Meet the Teacher! Make sure you watch the video to prepare for the year!
- Aug. 20 -First Day of Classes for GROUP B
- Aug. 21 -First Day of Classes for GROUP A
- Sept. 7 -No School (Labor Day)

"All the world's a laboratory to the inquiring mind."

~Martin H. Fisher

Welcome to 3rd Grade!

This year we will be learning a lot! There will be activities that will be

fun and even some that may be challenging. No matter what, we will learn from our mistakes in this classroom and celebrate the small successes! Success in this classroom means not only doing well and reaching your goals, but it is also about your attitude along the way. I believe that with the right attitude, you can reach beyond your goals and accomplish more than you think. Let's travel down this road together! We've got this!
