

In a Million Words or Less...

Tell me about your child!

Yes, you are getting a homework assignment! No one knows your child better than you, and I'd like the opportunity to get to know their likes and dislikes, their fears and joys, and their dreams and goals.

This activity should give you a chance to tell me what you think I should know about your child in order to help them have the best school year possible. I will read every one of them. I will NOT share your comments with any other person, including other teachers they may work with this year, unless you tell me in your message that you would like me to. Please do not worry about the assignment being long or overwhelming- just make it whatever you would like to!

Take your time with this, but there must be a deadline. Please get "In a Million Words or Less..." to me by Friday, September 4th. You can either send it with your child or email it to me. It can be hand-written or typed! (Please don't stress! This is not like those homework assignments from back when you were in school! If it is just a paragraph that is great too!) The more I know about your child and their background, the better job I can do to serve them and you!!

Thank you! ~Mrs. Price
